

## ***Sponge Bears***

### ***Art – Grade 1-3***

**Students create colorful sponge paintings of bears.**

Materials:

- Acrylic paints in various colors
- Sponges
- Master bear outline (see following page)
- ½ sheets of brown, black, and white construction paper for each child
- Double-sided tape

Instructions:

1. Cut brown, black, and polar bear shapes from card stock.
2. Give each child one ½ sheet of each of the colors of construction paper.
3. Tape each bear shape down on the corresponding color of construction paper with a piece of double-sided tape.
4. Sponge paint the entire ½ sheet of paper. Let dry.
5. Carefully peel bear off of the construction paper.

Follow same directions for each bear.
